A map to find us:

From Auckland CBD take Highway 1 North and head over the Harbour Bridge. After passing the motorway exit for Tristram Avenue, look for the Constellation Drive exit (the motorway climbs an incline after Tristram, and the Constellation Drive exit is on the left before you reach the top of the incline). Come off the motorway, turn right at the lights and go under the motorway. At the second set of lights, turn left onto Apollo Drive. Proceed along Apollo Drive until you reach a mini roundabout - turn right at the roundabout and we are immediately on your right hand side.

And here's our building:

Look for Pickles Cafe, which is to the right of this main entrance door, underneath the balcony. Come up the stairs and turn left for Reception.
